

Salsa Bingo Game Conditions (English)

1. EFFECTIVE DATE

This version of the Game Conditions and Prize Structure Statement shall come into force on July 12, 2015 and shall apply to all draws held thereafter until they are amended by the Atlantic Lottery Corporation ("ALC").

2. RULES AND REGULATIONS

Salsa Bingo is governed by and subject to the Rules and Regulations of the Atlantic Lottery Corporation Inc. (ALC), WHICH INCLUDE LIMITATIONS OF LIABILITY, and all applicable laws.

3. ISSUANCE OF TICKETS

To participate, a person must request a Salsa Bingo play(s) and pay an authorized retailer, or through ALC.ca, \$2 for each play per draw. Each play consists of two (2) bingo play cards (i.e. two (2) selections), grouped and identified as an individual play on the Salsa Bingo ticket, each bingo play card/selection is comprised of five (5) horizontal lines and five (5) vertical lines (B I N G O) and contains 24 computer generated numbers plus one (1) FREE space. A Salsa Bingo ticket will then be issued indicating, among other things, the draw date(s), the two (2) bingo play cards/selections per play, the amount wagered, the control number(s) and other relevant information.

4. DRAWS

On each Salsa Bingo draw date at approximately 11:29:59 p.m. (Atlantic Time), or as soon as possible thereafter, ALC will randomly draw 28 letter/number combinations from among the following letter/number combinations B1 to B15, I16 to I30, N31 to N45, G46 to G60 and O61 to O75.

5. WINNING SELECTIONS

Winning Selections as a result of any draw are determined as follows:

6. WINNING TICKETS

Any valid ticket for any draw bearing any Winning Selection of such draw, as defined above, is a Winning Ticket and entitles its holder(s) to claim a cash prize in accordance with Section 7 of these Game Conditions. Only one (1) prize per Winning Selection per bingo play card/selection may be claimed. (ex. A "Big X + 2 or more lines" in a bingo play card/selection does not also entitle a winner to a prize for "4 lines".) The two (2) bingo play cards/selections within each \$2 play are played separately and the results for each play card/selection cannot be combined for any purpose, including determining whether a ticket is entitled to a prize and/or the amount of any prize. Prizes and prize amounts are determined based on the results within any one bingo play card/selection only.
